Agency Capability Model on a Page

Future Excellence Horizon

What contribution will New Zealanders need from the agency in the medium term?

Delivery

- 1 How does the agency respond to Government Priorities?
- 2 For each core function, how does the agency deliver value and make a positive impact for New Zealanders?
- 3 For each core function, how does the agency demonstrate increased value and impact over time?
- 4 How does the agency meet its system stewardship responsibilities (including regulatory stewardship)?
- 5 How does the agency provide advice and services to Ministers?

Capability

Herment Lead question Purpose, vision, and strategy					
Purpose, vision, and strategy intelefocders? and strategy 7 What is the agency's capability to consider and plan for possible changes in its purpose or role in the foreseeable future? is an advance 0 What is the agency's capability to implement and adout governance arrangements to support effective organisational performance and delivery? is an advance 0 What is the agency's capability to implement and adout governance arrangements to support effective organisational behaviours, values and culture receive for it to succeed? Values, behaviour and the agency's capability to evelop and promote the Public Service and organisational behaviours, values and culture receive for it to succeed? What is the agency's capability to orderstand customers, clients and cilizers? medura and long-term needs, and use these to innovate and delive performance information? improvement 12 What is the agency's capability to orderstand customers, clients and cilizers? medura and long-term needs, and use these is insovate and drive better experiences?
