## Te Tohu mō ngā Hua E Pai Ake Ana | Better Outcomes Award

### Criteria

Te Tohu mō ngā Hua E Pai Ake Ana | The Better Outcomes Award celebrates the achievement of significant outcomes in areas that matter most for the long-term wellbeing for New Zealanders.

The judges will be looking for initiatives that demonstrate spirit of service through one or more of the following:

- Improved approaches to addressing a significant social, economic, or environmental challenge important to New Zealanders
- the achievement of tangible results that will make a difference in the long term for the people we serve
- improving outcomes and accessibility for diverse communities
- a collaborative approach to working across the public sector.

### Judging

A judging sub-committee will select the finalists for each category. Finalists will be notified and asked to prepare a short presentation and attend a judging day in Wellington. The judging day involves a mihi whakatau, presentation and Q&A session with the judging panel.

Finalists will be announced on our Awards webpage and recognised on social media. We will work with finalists to arrange photographs, consent, and ensure the information we publish is accurate.

Judges' decisions will be final.

All winners are announced at the Awards event in Wellington.
