### Information does not exist

In response to your specific questions, the Commissioner has not directly or indirectly created any specific documents setting out how Code of Conduct concerns will be considered by Commission officials and there are no specific delegations relating to decision-making about these concerns. This is because such concerns will be dealt with like any other integrity and conduct concern raised with us.

I am therefore refusing your request under section 18(e) of the OIA on the grounds the information does not exist.
