*"I request under the OIA copies of Pamu (Landcorp) ecological assessments (reports) carried out by Wildland Consultants over a number of West Coast properties*

*Between 2011-2017 I assisted Wildland Consultants carry out ecological assessments across a number of Landcorp (Pamu) properties throughout the West Coast. At one property in the vicinity of Cape Foulwind I found a speckled skink (lizard) that is now an important specimen to assist in determining the geographic range of 1-2 new species. I require a copy of the report that shows/describes exactly where the specimen was found.*
