NEW ZEALANDERS' IDEAS FOR THE NATIONAL ACTION PLAN 2018-2020

We are currently engaging with New Zealanders on the National Action Plan 2018-2020. This page provides a high level summary of the ideas provided to date.

IT'S IMPORTANT TO ENGAGE WITH MINISTERS, AGENCIES, AND CIVIL SOCIETY ON THE OPEN GOVERNMENT PARTNERSHIP NATIONAL ACTION PLAN 2018-20

MINISTERS

Ministers engage through:

- GOV open government discussion
- Interaction with their agencies
- Cabinet process

What else would be useful?

- **Writing to your colleagues?**
- **Bilateral meetings with key Ministers?**

AGENCIES

Agencies engage through:

- Public sector focussed workshop
- Officials group supporting this work
- Bilateral discussions with SSC
- Synthesis workshop to develop plan

We will encourage them to work with their Ministers

CIVIL SOCIETY

Civil society engage through:

- Workshops and website
- Expert advisory group
- Representatives to synthesis workshop to develop plan

We are thinking about how to maintain visibility between the end of the workshops and the final plan
