

Summary of Achievements

Commitment	Intended Impact	Achievements this Quarter	Progress
1 Engagement with Parliament (4 Milestones)	Improve public understanding of how Parliament works and increase public engagement with it.	<p>The Speakers Outreach programme was run in May in Bay of Plenty, and in June in Dunedin.</p> <p>The refurbished Rainbow Room was opened at Parliament, and a film about the room was released: 'Rainbow Voices of Aotearoa New Zealand: A Documentary Short Film'</p>	One Milestone completed – all others underway
2 Youth Parliament (5 Milestones)	Improve understanding among young people of how Parliament works and highlight topics that matter to young people.	<p>Background papers on the ten Youth Parliament 2019 select committee topics were released to participants</p> <p>The mock bill for Youth Parliament 2019, the Sustainable Energy Bill, was finalised and then released with supporting documentation, including a 'notes and context' document.</p> <p>Public submissions on the Youth Parliament select committee topics were sourced by promoting the opportunity to submit to a diverse range of stakeholder groups and organisations</p>	One milestone completed – the Parliament will be held in July
3 School Leavers Toolkit (4 Milestones)	Young people can access the civic and financial literacy, and workplace skills, they need to succeed, before they leave schooling.	<p>A review of the literature on civics education implementation in schools (looking at the experiences of the United Kingdom, Australia and Estonia) was completed.</p> <p>The content for the Toolkit's student-facing website has been written in collaboration with a range of government and non-government subject matter experts and tested with young people.</p>	3 Milestones completed – the final Milestone – implementing, reporting on and evaluating the pilot – is underway.

Commitment	Intended Impact	Achievements this Quarter	Progress
		A stocktake of resources available to support delivery of the Toolkit topics in te reo Māori has been completed.	
4 Accessibility of Secondary Legislation (3 Milestones)	Make New Zealand's secondary legislation readily-accessible.	<p>Agency commitment has meant that PCO have been able to complete the drafting of approximately 65% of the required amendments.</p> <p>PCO have identified 80 makers of secondary legislation to date and estimate that there will be over 100 makers when they have completed the work.</p> <p>PCO are planning to list secondary legislation it has drafted under the relevant empowering provisions on the legislation website ahead of schedule.</p>	All Milestones are underway –one aspect (listing secondary legislation drafted by the PCO) have been brought forward.
5 Public participation in policy development (4 Milestones)	<p>People experience a timelier and collaborative approach to public participation when policies are developed.</p> <p>They consider their concerns, diversity of views, life experience, and time are valued in the policy process.</p>	<p>Specialists and other stakeholders in public, private and community sectors have been involved in developing the detailed design of approaches to implement Commitment 5 and include diverse voices.</p> <p>Potential candidates for a live demonstration project have been identified and the Prime Minister has been briefed.</p> <p>Candidates for case studies of innovation success stories in public participation in the policy development process have been identified.</p> <p>Initial discovery workshops have been held with policy practitioners, facilitated by Auckland Co-design Lab to help understand what drives public participation decision-making and user needs for tool and guidance contents.</p>	All Milestones that are planned to be underway are underway.

Commitment	Intended Impact	Achievements this Quarter	Progress
<p>6 Service Design (3 Milestones)</p> <p>(All of Government Service Design Standard Implementation)</p>	<p>People experience more responsive, open, citizen-centric and user-focused service delivery.</p>	<p>6 public sector workshops attended by 65 people were run in Wellington, Auckland, and an online video conference session.</p> <p>A private sector workshop attended by 11 people was run at a NZ GovTech Meetup.</p>	<p>One milestone completed – all others underway</p>
<p>7 Official Information (3 Milestones)</p>	<p>Improve the availability of official information by:</p> <ul style="list-style-type: none"> • providing advice to the Government on whether to initiate a formal review of official information legislation • progressively increasing the proactive release of official information. 	<p>The Ministry of Justice has carried out public and targeted consultation on access to official information, seeking views on key issues with the OIA, whether these relate to the legislation or practice, and what reforms would make the biggest difference.</p> <p>286 written submissions were received and 8 key discussions were carried out with people with specific expertise and interest</p>	<p>The Milestone relating to the proactive release of Cabinet papers is complete all others are underway. The review of the OIA has been delayed from June to September 2019 (as previously advised)</p>
<p>8 Review of Government use of Algorithms (4 Milestones)</p>	<p>Ensure New Zealanders are informed and have confidence in how the government uses algorithms – automatic decision-making processes used by computer programmes – to identify patterns in data.</p>	<p>Work on the milestones continued.</p>	<p>Three Milestones completed.</p> <p>The final Milestone (underway) is to update the Commitment in light of the work undertaken – this process is underway and includes a public consultation process.</p>
<p>9 Visibility of Government Data</p>	<p>New Zealanders:</p>	<p>Work on the milestones continued.</p>	<p>All Milestones underway</p>

Commitment	Intended Impact	Achievements this Quarter	Progress
Stewardship Practices (4 Milestones)	<ul style="list-style-type: none"> understand how government is managing, using, and protecting their data and be able to hold government to account. have confidence and trust in the management and use of data that government holds on their behalf. 		
10 Monitoring the effectiveness of public body Information Management practices (3 Milestones)	Make the management of government information more visible and transparent by developing and implementing a monitoring framework. The framework will support public reporting on the effectiveness of information management.	A survey of public offices and local authorities record keeping practices is underway	Two Milestones are completed the third is underway.
11 Authoritative Dataset of government organisations as open data (4 Milestones)	People can access to authoritative, open data about government agencies and their roles, learn more about how government is structured, what agencies do, and be able to reuse the open data in new and innovative ways.	Work on the milestones continued.	One Milestone completed – all others underway.

Commitment	Intended Impact	Achievements this Quarter	Progress
12 Open Procurement (3 Milestones)	People can easily find, and access published GETS information for contracts awarded by government agencies that are subject to the Government Rules of Sourcing. This will increase the level of trust the public has in procurement, as it will be possible to analyse what contracts government agencies are awarding, what the expected spend is and which businesses have been awarded contracts.	<p>Following feedback from data stakeholders MBIE will start releasing contract award notices on a quarterly basis from October ahead of schedule.</p> <p>Enhancements to the GETS system to improve and simplify completing contract award data for government agencies have been completed.</p> <p>An initial desktop review of the Open Contracting Data Standard and other applicable data standards to GETS data has been completed.</p>	One Milestone completed. Second Milestone will commence in July 2019 and the third in June 2020
